Subject: Request for Permission to Organize the Desh Ka Prakriti Parikshan Abhiyan launched by Hon'ble Prime Minister of India.

Respected Sir,

With due respect, I wish to inform you that the Ministry of AYUSH, Government of India, in collaboration with the National Commission for Indian System of Medicine (NCISM), is organizing the '**Desh Ka Prakriti Parikshan Abhiyan**' from **26th November 2024 to 25th December 2024**. The primary objective of this campaign is to promote health awareness, help the individuals in understanding their Prakriti (Body Constitution), and encourage them to adopt a healthy lifestyle. This Mega Program is launched with the blessings of Hon'ble Prime Minister of India, Shri Narejdra Modi.

As a premier Institution of Ayurveda, the National Institute of Ayurveda, Jaipur, is actively participating in this Campaign. Through this initiative, the Prakriti of the Citizens of Jaipur will be assessed using Ayurveda's Scientifically Validated Methodologies. Participants will be guided to identify their Unique Body Constitution and its impact on their overall health and well-being.

The campaign will utilize a dedicated Mobile Application, where participants will answer 22 Questions related to their body and lifestyle. Based on their responses, their Prakriti will be determined. Additionally, participants will receive personalized dietary and lifestyle recommendations aligned with their Prakriti. A digital certificate of their Prakriti will also be provided, which can serve as a reference during future consultations at Ayurveda centers.

This initiative aligns with the vision of **Healthy India** as envisaged by Hon'ble Prime Minister Shri Narendra Modi and aims to disseminate the benefits of Ayurveda to a larger population across urban and rural areas.

We humbly request your esteemed Institution to kindly grant permission to host this Campaign on your premises. A team of trained Medical Professionals from our Institute will conduct the activities, ensuring that your regular operations remain undisturbed.

Your support and collaboration will be invaluable in making this campaign a success and in spreading the benefits of Ayurveda to a broader audience. We look forward to your positive response and permission to organize the **Desh Ka Prakriti Parikshan Abhiyan** in your esteemed Organisation.

Thanking you in advance for your kind consideration and support.

Yours faithfully,

(PROF. SANJEEV SHARMA)
VICE-CHANCELLOR
