D.O. No. 06/07/23/2023-24/NCW/NI Cch

Hon'ble Governor Sir,

National Commission for Women (NCW) as per its mandate has been undertaking activities/awareness programs on various issues affecting women. In this background, I want to draw your kind attention towards two important issues concerning young population worldwide, i.e. awareness about relevant provisions of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and creating awareness about cyber crimes and cyber security.

NCW at pan India level has been organizing awareness programs on The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 in Govt as well as corporate sectors and also in educational institutions, with the aim to aware both employers and employees about their rights, responsibilities, and the necessary steps required to prevent and address incidents of sexual harassment in the workplace.

Also under its Digital Shakti program, awareness about cyber crimes like deep fake, online stalking/harassment etc is disseminated in colleges with the aim to educate and sensitize young generation especially girls.

Considering the importance of above mentioned issues, I request you consider organizing one Day programs on POSH awareness (including functioning of IC) and Cyber Security/ Crimes (including Cyber Stalking, Digital Arrest, Deep Fake, Sextortion, etc.) in all the Universities and affiliated colleges in the State of Rajasthan. I also urge you to direct all the Universities to share compliance report about constitution and functioning of Internal Committees on POSH in their respective Universities and affiliated colleges.

I am sure you will agree that by investing in these comprehensive and tailored training programs, their capacity to protect and promote women's rights effectively can be enhanced, ultimately leading to a more just and equitable society. While, the NCW will provide the Resource Persons and content related materials, the respective Universities/Colleges have to take care of other aspects.

I would appreciate, if you can kindly revert to us with a positive response at an early date.

With kind regards,

Yours sincerely,

Vijaya Rahatkar
